

PHILOSOPHIA AN ENGLISH MEDIUM & ENGLISH VERSION SCHOOL

Date: 6/5/25

Subject: Important Update on Final Examination Schedule
(Session 2024–25)

Dear Parents and Guardians,

Greetings from Philosophia.

We hope this letter finds you well. We would like to inform you about an important adjustment to the **upcoming final examination schedule** for the **2024–25** academic session.

In light of the challenging and demanding nature of this academic year and in order to reduce the workload and ease the pressure on our students, the school has decided to conduct the final examinations in **two separate sittings** in this academic session.

- **Before the Eid break: Five examinations (English Language, Bangla, Physics, Business and ICT Practical)** will be conducted.
- **After the Eid break: FRW classes** will be held for the remaining subjects, followed by their **final examinations**.

We believe this revised schedule will allow students to better prepare for each subject, reduce stress and improve their overall performance. Detailed exam timetables and syllabus will be shared with you shortly.

Thank you for your continuous support and understanding. Please feel free to contact the school office if you have any questions or need further clarification.

Regards
Administration
PHILOSOPHIA
