CLASS – K.G-II

জাতীয় সংগীত

আমার সোনার বাংলা,
আমি তোমায় ভালোবাসি
চিরদিন তোমার আকাশ, তোমার বাতাস,
আমার প্রানে বাজায় বাঁশি ।।
ও মা, ফাগুনে তোর আমের বনে
দ্রানে পাগল করে,
মরি হায়, হায় রে-
ও মা, অশ্রুনে তোর ভরা ক্ষেতে
আমি কি দেখেছি মধুর হাসি ।।
কি শোভা, কি ছায়া গো,
কী স্নেহ, কী মায়া গো-
কী আঁচল বিছায়েছ বটের মূলে,
নদীর কূলে কূলে ।
মা, তোর মুখের বানী আমার কানে
লাগে সুধার মত,
মরি হায়, হায় রে
মা, তোর বদন খানি মলিন হলে
ও মা, আমি নয়ন জলে ভাসি ।।
সোনার বাংলা আমি তোমায় ভালোবাসি ।

NATIONAL ANTHEM

My Bengal of gold, I love you
Forever your skies, your air set my heart in tune
as if it were a flute,
In Spring, Oh mother mine, the fragrance from
your mango-groves makes me wild with joy-
Ah, what a thrill!
In autumn, Oh mother mine,
in the full-blossomed paddy fields,
I have seen spread all over - sweet smiles!
Ah, what a beauty, what shades, what an affection
and what a tenderness!
What a quilt have you spread at the feet of
banyan trees and along the banks of rivers!
Oh mother mine, words from your lips are like
Nectar to my ears!
Ah, what a thrill!
If sadness, Oh mother mine, casts a gloom on your
face,
my eyes are filled with tears!

The present curriculum is modernized in light of the state-of-the-art pattern of imparting education. We make the best possible adjustments in contrast to the international standards of education and introduce suitable techniques accredited by the pedantic geniuses and institutions.

The learner's interest is the center of all our activities. Our efforts are aimed at nurturing the child's knowledge and bringing for the latent qualities that every child is blessed with. We aim to build their self-confidence so that they form a strong belief within themselves as worthy competitors in their respective discipline / domain.

We indulge in flourishing the child's knowledge and wisdom by providing them full comprehensive subject knowledge and through successful participation in multifarious co-curricular activities. The prime aim is to provide continuous nourishment to the inborn qualities of the child in a favorable environment.

The environment along with all concerned authorities (management and administration) is carefully tailored and trained. Their attitudes and activities are designed as such that every learner finds the best possible road to exercise the cream of human qualities that make them disciplined, punctual, active, cultured, reasoning-minded and attain a strong character. RESPECTED GUARDIANS

Teachers, students and guardians are inter-related in the field of education and pedagogy. In past times, guardians were considered as guests or expense bearers of the students and the school. Ideas such as these have become past history with the passage of time. Guardians are no longer expense bearers or just any other person. Rather they are considered as an integral and vital participator in the world of education. Their ideas and advice and information of a child's behavior and attitude at home helps the teacher to understand the student better and makes it easier for the teacher to teach the child.

Learning does not have any boundaries. School is just an institutional figure in the process of learning. Making the use of modern methods of teaching, an institution creates awareness and eagerness in a child to know more. Institutions, teaching the various artistic beauties of knowledge and learning, may be organized anywhere in the World. A child's home is one such kind of an institution. Guardians, being the teachers at home, also explore and experience new behavior and eagerness in a child as does a teacher at school. These experiences at home and school need to be exchanged every now-and-then among guardians and teachers.

To successfully educate a child, schools arrange meetings between guardians and teachers to share their experiences and exchange their views. Conscious guardians give great importance to such meetings. Not just that, they also maintain a constant touch with the school at their own will. When the child is in the center of a two sided effort not only do they produce a good result, but also grow up to be well mannered and well educated, i.e., a complete human being.

Every school has some rules and regulations for its smooth and successful functioning. As such, this institution has set forward some rules and regulations for instant implementation. These rules are to be sincerely honored by students, teachers and guardians. We are of the opinion that guardians must be made aware of these rules and regulations. We strongly believe that the guardians' co-operation regarding these rules will help us to provide a good atmosphere for the best education to our wards.

Following are some of the rules and regulations presented for your convenience:

1. Classes will be started at 8:30am, and student's reporting time will be at 8:15am. After 8:35am the students will not be allowed in the classes
2. No child will be allowed to leave the campus during school hours. If a guardian wishes to take a child during school hours, an application to the Principal, stating valid reason(s) have to be submitted.
3. School tuition fees must be paid by the guardians. If fees are paid through their Wards, guardians will be responsible for any loss of money.
4. Monthly tuition fees must be paid within the 10th of every running month. Those who fail to pay tuition fees by 10th of each month have to pay a fine of Tk.5 per day up to the date of payment.
All the payments must be done at the COMMERCIAL BANK OF CEYLON PLC (Narayanganj Branch).
5. Besides the scheduled Parent's Day, it is often found necessary to discuss important matters with the guardians regarding their ward(s). For this, the Coordinator of the respective segments (PG-F3, I-V, VI-IX, 'O' & 'A' Level) will call upon the guardians to meet them personally. Since the Coordinator will be meeting other guardians on the same day, it is necessary for guardians to meet them at the specified time.
6. Students not coming in complete uniform (shirt, pant, skirt, salwar-kameez, shoes, socks, ID card, and tie) will not be allowed to enter the school. As such, they have to return home. Reasons provided by students for not being in uniform will not be taken into account.
7. Proper attention in class and regular revision at home bring good results for a student. This practice eliminates the necessity of home tutors. Even then, if a child is found to be weak in his / her studies, the school authority has decided to provide long term coaching for them. This facility is from Level I onwards. A nominal fee will have to be paid for the coaching classes.
8. Homework is an integral part of academic learning. Parents must go through their ward's diary and make sure that their H/W is done accordingly. The diaries must be signed by the parents on completion of their ward's H/W. if it is not signed, it will be understood that H/W is incomplete. if so, parents must send a note in the diary, with valid reason(s), why it was not or could not be done. They may also come in person to talk to the Coordinator or the subject teacher.
9. Students must participate in all the project work, CT's and term exams. No student will be allowed to sit for class test(s) missed during the revision classes just before the term exams. To earn promotion to the next class, students must **have an average mark of 60% in each subject.**
10. We strongly believe that all students are equal participants and are of equal status in the school. Children have very tender heart and mind. Inconvenient behavior by guardians regarding their ward(s) is strictly prohibited as it creates a negative impression in the child's heart and mind.
11. Doctor's certificate must be shown by a student for being absent for 3 (three) consecutive days. If absence is not due to medical reasons, the guardian must come in person and provide satisfactory explanation to the Principal.
12. Absentation from class without proper reason(s) is against the rules of the institute. If a student is found to be absent from the institute for 15 (fifteen) days at a stretch without informing the authority, the student's admission will be terminated. The student may be re-admitted on payment of an additional one month fee along with the fee of the running month, subject to approval by the Principal.
13. If a student has to go on emergency leave, guardians must have the leave approved by the Principal through proper application.

I sincerely seek your co-operation concerning the matters mentioned.
